

## Section 716 - Recycling Service Charges

**716.01 Purpose.** The rates and charges established by this Section are for the purpose of paying costs for the operation and administration of recycling services provided by the City.

### **716.02 Recycling Charges.**

Subd. 1. **Classifications.** The Council may classify recycling charges according to land use and density. All classifications shall be as set forth in Section 185 of this Code.

Subd. 2. **Rates.** The rates for each classification shall be as set forth in Section 185 of this Code.

**716.03 Billing and Payment.** Recycling charges shall be payable by the owners, lessee, or occupant of each property to which recycling services are made available by the City pursuant to Subd. 2, of Subsection 715.04 of this Code. Recycling charges shall be computed every three months and included as a charge on bills issued by the City for water or sewer services pursuant to Section 1100 of this Code. If the property subject to recycling charge is not served by City water or sewer, a separate bill shall be issued to the owner of the property every three months for the recycling charge. All provisions for the billing, payment, notice, and collection of delinquent accounts pursuant to Subsections 1100.04 and 1100.05 of this Code shall apply to charges made pursuant to this Section.
